ACKNOWLEDGEMENTS

Over the past three years, a number of Canadian scholars have contributed to the Code through their comments and criticisms. Participation in this process does not necessarily indicate endorsement by any or all of the respondents and/or reviewers. On behalf of the Councils, the Tri-Council Working Group sincerely thanks the following individuals and groups for their expertise and attention to the issues that are central to the Code: all those who commented on the March 1996 draft Code; the Medical Research Council of Canada's Standing Committee on Ethics; Dr. Françoise Baylis (Dalhousie University); Dr. Joanne Burgess (Université de Québec à Montréal); Dr. Michael Burgess (University of British Columbia); Dr. Benjamin Freedman (McGill University); Dr. John Last (University of Toronto); Dr. Carole Sinclair (University of Toronto); and Dr. Donald Savage (Canadian Association of University Teachers).
